Pre Matrimonial Background Checks

The most important part of a person is his/her family. Any disturbance in person's family life would have devastating effect on all members. Utmost priority should be given to investigation before stepping into matrimony, as it has enough capacity to make or break an individual and his/her family for years to come. Taking the decision to get married should be taken with complete in-hand information of the prospective spouse. Similarly coming out of marriage is also an equally tough task. [Read More...](#)

Loyalty Test

Age, loyalty and human relationships have been bonded together and their existence is not anything without either of them. Loyalty is similar to the taste of a cup of orange juice whose flavour cannot be felt till the orange is completely wringed. Loyalty holds a special place for an individual mainly when it comes to marriage and relationships. If you feel even a slight sliver of doubt about your partner cheating on you with someone else, owing it to your spouse' changing preference of fragrance, garments and footwear, then select AMX Detective Agency Pvt. Ltd.'s 'Loyalty Test Investigation', and clear your doubts right away. [Read More...](#)
